However, on Wednesday April 14, when the Club appeared before the Disciplinary Committee, amended their plea to NOT GUILTY for all charges against the club and offered the defence of the club against the charges.

## **PROCEEDINGS AND FINDINGS**

A video recording of the incidents that occurred after the said match and pictures of the injured referees submitted by the Prosecution were showed as evidence. The Club denied that such incidents occurred at the Wamanafo Community park. They objected to the absence of the Prosecutor at the sitting and refused to cooperate with the Committee because the Prosecutor was not present.

In accordance with Article 37(1) of the Division One League Regulations, the Disciplinary Committee is satisfied with the evidence before it that the conduct of Wamanafo Mighty Royals FC amounts to a breach of Regulations and shall accordingly apply the necessary sanctions against Wamanafo Mighty Royals FC.

Article 37(1) of the Division One League Regulations:

***“Where the Disciplinary Committee is satisfied that there has been misconduct by a Player, a Club Official, a Referee, an Assistant Referee, Supporters, a Match Commissioner or any participant of a match, the Committee may order such a person/persons:***

***(a) To be suspended from all or any specific football matches or competitions either indefinitely or for a stated period.***

***(b) To be fined, either with or without suspension and any such fine shall be paid within fourteen (14) days.***

***(c) To be reprimanded or cautioned.***

***(d) To close the venue of the club either permanently or for a stated period.”***

This Committee is also mindful of Article 11(2)(d) of the Disciplinary Code and consequently shall make the necessary consequential orders to that effect.

It must be noted that this situation caused by Wamanafo Mighty Royals affects the image of the Division One League and Ghana football.

The effects of the misconduct on all stakeholders cannot be quantified and should not be lost on all who are interested in the growth of the game. It is in regard that the severest of

punishment allowed under the regulations must be applied to serve as deterrent to all other clubs.

There is no doubt that the sanctity of the competition must be maintained to attract the sponsorship and also to guarantee the needed mileage for all stakeholders and clubs alike.

This Committee is of the view that the right signals must be sent to all clubs in this respect and would therefore apply more than the minimum punishment in this respect.
