

## DECISION OF THE MATCH REVIEW PANEL OF THE GHANA FOOTBALL ASSOCIATION

---

Match Review Case 6 of 2021/2022

### BIBIANI GOLDSTARS VS. ASANTE KOTOKO (MATCH DAY THREE)

---

Per the video watched by the Panel, the game was well managed in all aspects.

In the first half the referee made a great decision when the ball hit the leg of the player and bounce off the player's hand. The referee took the right decision in awarding a corner kick. Per the Laws of the Game, it was not a penalty.

The referee again exhibited a high level of football understanding which resulted in a good goal scored when everybody watching the match would have thought he should have immediately call for a penalty.

Referee Maxwell Hanson is commended for his football understanding to allow various phase of the game to unfold which provided the opportunity to the attacking team to make use of the options opened to them.
